

WMYBA Agreement of Behavior
2016-2017 Season

I (WE) the parents/guardian of _____ do agree to allow my child to participate in the West Mifflin Youth Basketball Association (WMYBA). I (WE) will conduct myself (ourselves) and be held accountable for both our own & my child's actions. I (WE) as parents/guardians of the above mentioned child understand and will comply to the following rule:

Conduct of Exhibiting Good Sportsmanship:

Players Must:

Exhibit good sportsmanship at all times with opponents, teammates, referees and coaches before, during and after any activity with WMYBA.

Parents Must:

Control any negative emotion or unsportsmanlike actions that are directed to players, coaches or referees before, during or after any activity with WMYBA.

The WMYBA's purpose is to allow all players to participate, learn and enjoy the experience of playing organized basketball. The WMYBA or referees will control and enforce any unacceptable behavior by player(s), parents or coaches. The Referee will issue an immediate ejection. The WMYBA board may take further action as stated within the Bylaws of the WMYBA.

The WMYBA acknowledges the emotions that are encountered in a game. We regret to find it necessary to require this form, but with the past incidents that have occurred, we have decided to give this forewarning. The WMYBA hopes to achieve an enjoyable, educational and memorable experience with all participants involved.

The WMYBA hopes your child and all participants have an enjoyable season! Please consider joining us in volunteering your services to make this a great season!
